

## VANCOUVER CHINATOWN REVITALIZATION COMMITTEE

September 10, 2010

To the Board of Directors:

The Vancouver Chinatown Revitalization Committee has been active in observing and participating in the policy process for the development of the Chinatown Plan and the Historic Area Height Review and Re-zoning Policy.

The VCRC has written a document which recommends that CAC funds generated in Chinatown be used to fund revitalization projects in Chinatown and that smaller CAC projects can proceed so that their benefits are more immediate and create a 'multiplier effect'. We will be sending this document to the Mayor and Councilors for consideration. This document and a Chinese translation are attached.

We hope that your Board and membership can support the recommendations. If you would like to support our recommendations please send a letter of support (a draft is enclosed) to council. The VCRC would be happy to collect and forward the letters to council. Please fax the letter to our office at 604-688-5070 or call us to pick up.

If you have any questions please contact either Henry Tom (604) 290-3233 or Jordan Eng (604)728-0883.

Thank you very much,

VANCOUVER CHINATOWN REVITALIZATION COMMITTEE

Henry Tom
